

HOW IT WORKS.

If departing, a driver will come and pick **you and anyone travelling with you** up at a prearranged time and place.

You will be taken to the airport

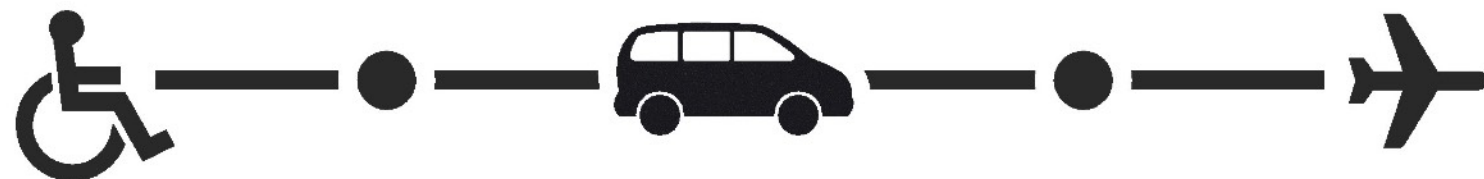

where you will be met by ADR

Assistance staff, who will be at your side

to offer assistance at the check-in and security check and then take you to the gate and **accompany you to your**

seat on the plane.

Once landed, we will **take you home or to any other destination.**

The service is available **24 hours a day.**

From 00.00 until 6.00 am a surcharge will be payable in addition to the normal fare.

HOW TO BOOK.

Care To Fly is exclusively for passengers with reduced mobility who have requested airport assistance from the airline they are flying with.
