

Declaration of website accessibility for Private Subjects pursuant to Article 3 paragraph 1-bis of Law No. 4 of 9 January 2004

Declaration

Aeroporti di Roma S.p.A. undertakes to make its website accessible, in accordance with Law No. 4 of 9 January 2004. This accessibility declaration applies to: <https://adrassistance.it>

Compliance status:

Partially compliant

This website is partially compliant with the requirements of Appendix A of standard UNI CEI EN 301549 due to the cases of non-compliance listed in the following section.

Non-accessible content

The content listed below is not accessible for the following reasons relating to non-compliance with Law No. 4 of 9 January 2004:

- Criterion: 9.1.1.1 - Some non-text content presented to the user does not have an equivalent textual alternative that serves the same purpose;
- Criterion: 9.1.3.1 - Some information, structures and correlations have not been programmatically determined or are not available in textual form;
- Criterion: 9.1.4.4 - Some texts, with the exception of subtitles and images containing text, cannot be resized up to 200 per cent without using assistive technologies and without losing content and functionality;
- Criterion: 9.2.1.1 - Some functions cannot be used via a keyboard interface;
- Criterion: 9.2.2.2 - In rare cases of automatically initiated animations, flashing, scrolling or auto-updating of information, lasting longer than five seconds or presented in parallel with other content, there are no mechanisms for their interruption or disappearance;
- Criterion: 9.2.4.1 - A mechanism for skipping blocks of content that are repeated on several web pages is missing;
- Criterion: 9.2.4.4 - The purpose of some links cannot be determined by the link text or by the link text together with contextual content that should be properly defined;
- Criterion: 9.2.4.6 - Some headings and/or labels describing topics or purposes are missing;
- Criterion: 9.2.4.7 - On some interactive elements, the focus indicator in the keyboard user interface is not visible;
- Criterion: 9.3.2.2 - No labels or instructions are provided in content requiring user input actions;
- Criterion: 9.3.3.2 - In some cases, no labels or instructions are provided when the content requires input actions by the user;
- Criterion: 9.4.1.2 - In some user interface components (including: elements of a form, links and script-generated components...), name and role are not determined programmatically; states, properties and values, when user-defined, must be settable by program; and notifications about changes in the state of these elements must be displayed by user programmes, assistive technologies included;

Please note: Criteria 9.1.1.1, 9.1.3.1, 9.2.4.1, 9.2.4.4, 9.2.4.7, 9.4.1.2 are partially or fully resolved by the correct configuration of the 'Accessiway' assistive technology on the site.

The contents listed below are not accessible for the following reasons related to disproportionate burden:

- There are plans to use a state-of-the-art framework to correct some imperfections in the code;
- Some content from external sources may not be accessible.

Drafting the accessibility declaration

This declaration was drawn up on 21/12/2022.

The assessment was carried out by third parties by means of objective and subjective analyses (see Article 3(1) of EU Implementing Decision 2018/1523 of the Commission).

The declaration was last reviewed on 09/01/2023, respecting the recommendation to periodically (at least annually) review the accuracy of the statements in this accessibility declaration.
